

Boat Care & Protection

Revival Marine Care | Recommended for care between details

THE STARTING BUNDLE

Revival Maintenance Kit

Includes Wash & Wax Boat Soap, Rust Stain Remover, Corrosion Blocker and Ceramic Spray.

Vinyl Guard and Premium Boat Wax are separate additions. Check the current product listing for bundle options.

ROUTINE WASHING

Wash & Wax Boat Soap

Removes salt and grime while preserving existing wax protection.

How to use: Use after boating trips. Dilute according to the bottle, wash with a soft mitt or brush, rinse well and dry.

GLOSS & WATER REPELLENCY

Ceramic Spray

Adds spray-on protection to gelcoat, fiberglass, paint and metal. Revival also recommends it as a wax or ceramic coating topper.

How to use: Apply to a clean surface using the label directions. Revival suggests every 1-2 months in its maintenance routine; follow your coating aftercare plan.

SEAT & CUSHION PROTECTION

Vinyl Guard

Helps protect clean marine vinyl from UV exposure, sunscreen, body oils and everyday grime, with a dry-to-the-touch finish.

How to use: Spray onto clean vinyl and spread evenly with a microfiber towel. Reapply according to the label and your boat's exposure.

Finish the Care Routine

Revival Marine Care | Recommended for care between details

TARGETED STAIN REMOVAL

Rust Stain Remover

Treats rust staining on compatible gelcoat, fiberglass, painted surfaces and marine hardware.

How to use: Use only when stains appear. Wear gloves, follow label dwell time, never let it dry, and rinse thoroughly with soap and water. Protect cleaned metal afterward.

METAL PROTECTION

Corrosion Blocker

Helps protect exposed marine metals, including rails, cleats and fittings, against moisture and corrosion.

How to use: Apply to clean, dry metal following the bottle directions. Use after rust treatment and as needed for ongoing maintenance.

SMOOTH-SURFACE PROTECTION

Premium Boat Wax

A polymer wax for gloss and protection on gelcoat, fiberglass and painted surfaces exposed to sun and saltwater.

How to use: Apply to clean, prepared surfaces and buff off according to the label. Ask RJ which protection suits your boat and when it needs refreshing.

Shop Revival Marine Care | Code HEAPE10

Tap this panel to shop through my affiliate link. Discount code: HEAPE10.

Follow each product label. Ask RJ before adding products to a professionally coated boat. Routine upkeep helps preserve a detail; it does not replace oxidation correction or professional detailing.
